

Complaints Procedure for Hope Nursery School

Foreword

At Hope Nursery School, we take complaints seriously.

We have the best interests of all our pupils at the centre of all we do, and we aim to build good relationships with families and to listen and support as far as possible.

We encourage anyone with a concern to speak to us as soon as possible, as, when concerns are discussed and dealt with at an early stage, they are more likely to be resolved and agreement, as to a way forward, reached.

Many issues can be addressed by talking to the relevant staff in school, who will be happy to help. Open communication and regular engagement between the school staff and other stakeholders is vital to the effective management of the school.

We welcome open communication with our staff. You can usually speak to a member of staff briefly at the beginning and end of nursery sessions, however it may not be possible for staff to take the necessary time to address concerns at these times. Staff will arrange a mutually suitable time to meet and discuss your concerns. Alternatively, you can request an appointment by phone.

Please speak to your child's teacher in the first instance. Concerns about any matter other than in the classroom, should be raised with the principal.

We take all concerns seriously and make every effort to resolve matters as quickly as possible.

Aims

When dealing with complaints the school will:

- Encourage resolution of all concerns as quickly as possible
- Provide timely responses to concerns and complaints

- Ensure a full and fair investigation of your complaint
- Have due regard for the rights and responsibilities of all parties involved
- Respect confidentiality
- Fully address complaints and provide an effective response
- Take appropriate action to rectify the issue and prevent it happening again where appropriate
- Be responsive to learning from outcomes which will inform and improve practice within the school
